Partner with us to help reach our goal of raising \$150,000 to support The Mary Kay FoundationSM. Your commitment to purchase a sponsorship/foursome will allow the Foundation to continue its mission to eliminate cancers affecting women and to end the epidemic of violence against women. Throughout her life, Mary Kay Ash showed others how to live. And how to give. She gave hope to women who lacked opportunity and financial support to the causes she believed in. Although she died on Thanksgiving Day 2001, her legacy of love continues through The Mary Kay FoundationSM, which she began in 1996. Since the Foundation began, it has granted over \$39 million dollars to organizations fighting cancer and violence against women.
