

## WEEK 4 - ACTIVITY 2

---

### Communication

#### Audio Transcript

Now it's time to practice our communication skills. In the PDF labeled "Communication" you will see 5 different scenarios. How will you book these 5 ladies for a skin care party? Please read the booking script provided for each of the scenarios and consult with your Independent Sales Director, Power Partner or a friend to practice. This activity will help you learn how to be more confident with your communication skills.
