

# Radiant Attraction

Make a glamorous statement with dramatic, smoky eyes featuring captivating metallic shades highlighted by Steely eyeliner.

- 1** Apply **Steely eyeliner** to upper and lower lashlines, applying heavier pressure for a thicker line, especially to the outer corner of the eyes. Smudge eyeliner with **Silver Satin mineral eye color**, then apply to entire eyelid, from lashline to brow bone, blending for a smoky eye look.
- 2** Add **Crystalline mineral eye color** as a highlight to brow bone.
- 3** Apply **Mary Kay® Ultimate Mascara™ in Black** for a voluminous effect.
- 4** Dust **Cherry Blossom mineral cheek color** onto the apples of the cheeks, blending upward toward the temples.
- 5** Apply **Blaze creme lipstick** on upper and lower lips.
- 6** Finish with **Icicle lip gloss** on top to create a shimmering appeal.

## Expert Tip: Accentuate eyes with this technique!

For a dramatic look, extend eyeliner outward and upward from the outer edge of the eye. This not only gives dramatic definition, it creates the illusion of "lift," thereby making eyes look younger.
