

Sweet Sophistication

A harmonious range of chocolates and berry browns makes this look artful and sophisticated.

1 Sweep **Honey Spice** mineral eye color from lashline to brow bone. Apply **Almond** mineral eye color to crease. Using a sponge-tip applicator, apply **Chocolate Kiss** mineral eye color to outer third of eye. Blend well.

2 Apply **Deep Brown** eyeliner along the outer edge of the upper and lower lashlines.

3 Apply **Mary Kay® Ultimate Mascara™ in Black** to upper and lower lashes.

4 Sweep **Shy Blush** mineral cheek color on the apples of the cheeks.

5 Line upper and lower lips with **Spiced Tea** lip liner. Next, apply **Whipped Berries** creme lipstick. Finish with **Café au Lait** lip gloss for a polished lip look.

Expert Tip: A lip gloss look for every occasion!

"Lip gloss can convey many different moods. For more formal looks, choose colors with less shimmer. For fun looks, choose bright colors and/or colors with higher levels of shimmer. You also can use lip gloss to quickly take pretty neutrals from daytime to evening."
