

Sweet berries and rich spices make this look velvety smooth and tastefully simple.

- 1** Using a sponge-tip applicator, apply **Sweet Plum** mineral eye color from upper lashline to about halfway up the lid. Starting where you left off, use an eye definer brush to blend color to just above crease. Also apply on lower lashline.
- 2** Line upper and bottom lashlines with **Violet Ink** eyeliner.
- 3** Apply **Mary Kay® Lash Love™ Mascara in I ♥ black** to upper and lower lashes.
- 4** Apply **Cherry Blossom** mineral cheek color to the apples of the cheeks and sweep slightly upward for more defined cheekbones.
- 5** Complete your look with **Rich Spice** lip gloss.

Expert Tip: Play with texture for a balanced look!

"It's always fun to play with textures. Pairing shimmery neutrals with matte pops of color looks fresh and current. With a matte eye, go for an extra-sparkly lip gloss. With a velvety lip, try a shimmery color on the eye."
