

WEEK 6 - ACTIVITY 2

Share It!

Audio Transcript

Share your decision to become a Red Jacket with your Sales Director and the person who invited you to join Mary Kay. And you may even ask your Sales Director if she would allow you to share your decision to earn your Red Jacket with everyone at your next unit meeting. This will add a layer of accountability for your decision. You may want to let them know that you are now on the last Module of this Race to Red eCourse and that you are very excited about the decision that you've just made. Share with them your "Why" for wanting to build your business to the Red Jacket level. Give them the specific date that you are working toward as well as the steps that you are taking to achieve this. Most importantly, ask to be held accountable for your decision.

Remember, you may be in business for yourself but you are not in business by yourself. Let them help on this journey.
